

# WEMSAFE

(our online safety rules)

**W**e should always send messages that are friendly.

**E**nsure you treat others online how you would like to be treated.

**M**ake sure you never meet up with somebody you have never met before in real life.

**S**hut the laptop lid or turn off the monitor if you see something you don't like online, then tell an adult immediately.

**A**vatars are better to use online than personal photographs of you.

**F**riend requests should only be accepted from people you know.

**E**veryone's personal information is private. Don't share yours online.
