

Music

Please help your child with their learning by going through this fact sheet with them. They will be quizzed on this at the end of half term. We appreciate your support.

The pulse in music is the beat of the music.

Reggae music normally has a person singing – like Bob Marley!

Reggae music has a repeating pattern of music through the song.

The tempo in music is the speed of the music.

A solo in music is someone singing or playing an instrument on their own.

There are lots of instruments in Reggae music, but the most common are drums, keyboard and electric guitar.

Not everyone likes the same styles of music – and that's ok!

Dynamic means how loud or quiet the music is.

Reggae music makes people feel happy because it is so lively!

Reggae music sounds unique and doesn't sound like other genres such as rock music.
