Pingles Car Park

As you may be aware the Pingles has begun the process of having a major refurbishment. This includes solar panels and a heat pump system being installed. I believe the work will last the majority of the year and will especially affect the paths on the Pingles side.

Please ensure your children are aware of the work and understand that heavy plant may be moving around at the beginning and end of the day.

World Book Day Thursday 6th March

As previously notified World Book Day this year is on **Thursday March 6th**.

It is a fantastic opportunity to focus on reading for pleasure, encouraging children to choose their favourite texts and embedding a habit of reading that brings a range of benefits.

We would like to encourage your child/children to dress up as a favourite book character and bring the physical book into school. They or the class teacher can then share extracts from the texts. The book can be fiction or non fiction!

There are some lovely ideas in the attachments for low cost (and effort) costumes and even ideas for a World Book Day potato character if your child does not want to dress up!

Enjoy getting creative, but more importantly enjoy sharing books with your child!

Please refer to the ParentMail sent on 12th February for low cost ideas,.

What are you going to do ?

WOW Walk to School Challenge

You will probably be aware through your child, that we launched before half term an exciting initiative to encourage more children and their families to walk to school. WOW – the walk to school challenge is delivered by Living Streets, the UK charity for everyday walking, to help as many children as possible experience the benefits of walking to school.

The pupil-led challenge enables children to self-report how they get to school every day. If they travel actively (walk/wheel, cycle, scoot or Park and Stride) at least once a week for a month, they get rewarded with a badge. It's that simple!

What are the benefits of walking to school?

- Children feel happier and healthier
- They arrive to school refreshed and ready to learn
- Helps reduce congestion and pollution at the school gates

What if we can't walk to school? If driving, 'Park and Stride' to help your child earn their WOW badges. Park at least ten minutes away from the school and walk the remaining journey. If using public transport, hop off at least ten minutes away and walk the rest (recorded as 'other' on the WOW Travel Tracker).

A new badge can be earned every month if pupils' walk/wheel, cycle, scoot or Park and Stride at least once a week. WOW 2024/25 encourages pupils to Walk with Imagination, with a selection of badges ranging from a Bird's Eye View to Road Surfing up for grabs. The badges are made in Cornwall from material that was otherwise destined for landfill, including fridge trays, plastic plates and yoghurt pot off-cuts.

We hope you can support your child.
