School Values

During the Autumn term the School Council were very busy looking at what values they felt were important to be a successful Wembrook pupil. There are so many aspects that makes our school so special but what were the core elements that we all strive for ?

They finally, in January, came up with ten values which the school then discussed in lessons and school assemblies.

Then, every pupil was given the chance to vote for their top two. Once all the votes were in and were counted, we adopted the top six values which we believe we can all aspire to.

We have already begun work about raising their profile, so please look out for work around these values.

Our School Values Statement

At Wembrook Primary we are committed to creating a nurturing environment where every individual is inspired to succeed. Our core values—**Kindness, Honesty, Respect, Resilience, Empathy and Courage**—are the foundation of our community and guide us in all we do.

- **Kindness** drives our actions, fostering a culture of compassion and care for others.
- **Honesty** ensures we build trust and integrity within our relationships.
- **Respect** shapes how we interact with each other, embracing diversity and valuing every voice.
- **Resilience** empowers us to face challenges with strength and determination, turning setbacks into opportunities for growth.
- **Empathy** helps us understand and connect with one another, creating an inclusive and supportive community.
- **Courage** inspires us to take risks, stand up for our beliefs, and strive for excellence in the face of adversity.

We believe that by living by these values, we cultivate a positive and inspiring environment where students are equipped to become thoughtful, confident, and responsible global citizens.

NOT AGAIN MR PEARSON!!!!!! Ofsted: Parent View

It is now over five years since we were inspected by Ofsted and we anticipate that we will be receiving an inspection this academic year!!!! The inspection format includes the opportunity for parents to complete an online survey (it takes about two minutes to complete).

So many of you completed the Parent View last year, which was very flattering but that is now frozen, and all parents have the opportunity to record their views again!

We are very grateful for all the kind words that many of you regularly give to both the staff and myself and hope that the feedback given to Ofsted can be equally as positive.

At the last inspection the lead inspector said *"it is rare to see how much the parents love their school"*. We want to show them that love again!

We hope that we can show how involved our parents are with the school by having a large number of surveys being completed before the end of this term.

If you can support the school:

- Google Parent View or go to parentview.ofsted.gov.uk
- Click on "Give your views now"
- Then follow the instructions
- You will need to register and give an email address. This stops multiple entries!
