Believe and Achieve

WEMBANK FOOD

Due to the continuing economic struggles that many of our families are experiencing, we are looking at repeating our Wembank Appeal, which we have run for the last few years.

We will all be aware that the present financial climate means that some families may be facing monetary challenges which will affect their Christmas for both them and their **children**. We are also aware that thankfully, for many families, Christmas will be the same as usual.

For those families who are not affected in the same way, we would ask if you are able to support our Wembank food bank and bring in some of the items on the list below. The food will then be put into hampers which will be distributed in the last week of term.

The school is aware that this is a highly sensitive subject and therefore we wish to respect all families needs. This will be the only communication, along with one reminder that we will send out.

We would ask you all to follow the guidance below:

- **There is no expectation for families to donate. If you are able to, that would be lovely. If you cannot, we completely understand.**
- All food is to be brought in to school on Thursday 5th to Monday 9th December.
- Food can be left in the front office area or brought in by children.
- School will also contribute to the hampers and hope to match our target of helping 41 families, as we did last year.
- **If you would like to be considered for a hamper please let Eli Williams (07468 716926) or Katrina Hall know (07824 456337). We fully understand that you can be working and still struggling to make ends meet.**
-

The school has a wonderful history of supporting the community. We hope if you are able to, that you can support us during these testing times.
