### WemDuck

Thank you to everyone with their support and understanding before Easter with WemDuck.

I am happy to report that she laid 4 eggs and three were safely hatched. They have now been taken to a small holding which contains a pond and lots of love.

I am told that all three are doing very well and have already put their names down to join our Nursery at the appropriate time!

On a connected matter our **Nursery is now full for September 2025 and spaces for September 2026 are already filling up.**

Please see the office for the appropriate

paper work and forms if you wish to secure a place for either 2026 or 2027.

**Believe and Achieve**

### Time for School?

Many thanks to Mr Ian Bonner one of our school governors who very kindly has bought and installed a school clock.

The clock fits perfectly above the school entrance and is a great reminder for all of us about what time we are arriving at school!

## Relationships and Sex Education

During next half term all year groups will be involved in receiving their relationships and sex curriculum. You will be informed which week this will be nearer the time.

We are aware that this element of the curriculum, for some parents, can create some questions and queries.

You will also know that the media has the ability to distort what is deemed by many as a very conservative approach.

The curriculum is designed to support pupils as they develop **but not** to replace teaching and values given by the home and parents.

The children will receive five, age appropriate lessons, that will be delivered by their teacher. The content of what the children will be learning is saved on our website and the children will also be bringing home an overview.

To support those who may wish to know more, we are holding a parents meeting on Wednesday 11th June at 5:30pm. Please fill in the Parentmail form if you wish to attend.

Our lost property box is presently overflowing with school uniform and rather expensive coats! Please double check that your child has all their property at home. You may be interested to know that of the 33 jumpers in the box not one has a name label on them!

1576 used batteries brought into so far!!!!  
Thank you
