Believe and Achieve

Sir Simon of Wembrook*

In early October 2025, I informed the governors about my intention to retire at the end of the school academic year (July 2026). I have been a headteacher for 25 years and will have been at Wembrook for 20 years. In addition, with the school having just had a highly successful Ofsted Inspection and therefore knowing that my successor will have another 4 years before they return, the timing seemed just right.

There will be plenty of opportunities for us to say our goodbyes but I did want to take this opportunity to hopefully tell you something you already know!

It has been a pure honour and privilege to serve the community of Wembrook, Attleborough, Hill Top and beyond for the last 20 years. I genuinely have enjoyed every day..... well nearly!!!!!!

I also hope you know that Wembrook Primary is an extremely special place, not all schools are the same. That is because of the children, the parents and of course my quite brilliant staff that make being headteacher at Wembrook incredibly easy.

The reason for my early announcement was to give the governors as much time as possible to find a successor. The governors take their role very seriously and have already begun the process of preparing to recruit. They hope to appoint sometime during the Spring term.

Until July, I will remain committed, as always to ensure that not only is Wembrook the biggest primary school in Warwickshire, but the best!

Much Love

Mr P

* For those parents who do not know, the staff very kindly bought me the official title of Sir Simon of Wembrook for a significant birthday. Officially I can have it on my passport and although I do not use it a lot, when I do I am incredibly proud of the title.

It is the best present I have ever had!
