Year 1 - Autumn 2

# Computing

*Please help your child with their learning by going through this fact sheet with them. They will be quizzed on this at the end of half term. We appreciate your support.*

The word **debug** means to identify and remove errors in a computer program.

A panel of keys that operate a computer is called a **keyboard**.

A **camera** is the best form of technology to take a picture.

An **algorithm** is a set of instructions or steps that tell you how to do something.

WEMBROOK PRIMARY SCHOOL

## WEMBITES

When programming a Beebot I would use the **x** button if I made a mistake.

A pencil is **NOT** a form of technology in school.

This is the **Enter** button on a computer.
