

Geography

Please help your child with their learning by going through this fact sheet with them. They will be quizzed on this at the end of half term. We appreciate your support.

Export means sending something else to another country.

We need to import some fruits because our weather is not warm enough.

Globalisation is when different countries are linked by buying and selling goods.

Food miles is the distance our food travels from where it is grown to where we buy it.

Apples and plane engines are examples of UK exported goods.

This is the Fair Trade symbol.

Workers and farmers are paid a fair price.

Fair Trade ensures fair prices are paid to people who make goods. We may pay extra for those items.

Chocolate and tea are examples of Fair Trade products.

WEMBITES

Import means bringing something into the country.
