

# History

Please help your child with their learning by going through this fact sheet with them. They will be quizzed on this at the end of half term. We appreciate your support.

We know about the final days of the expeditions because of letters home and diary entries.

Captain Robert Scott was not always successful in his missions.

Ranulph Fiennes is an explorer.

Ranulph Fiennes got frostbite after falling into the ice.

Scott first went to Antarctica in 1901.

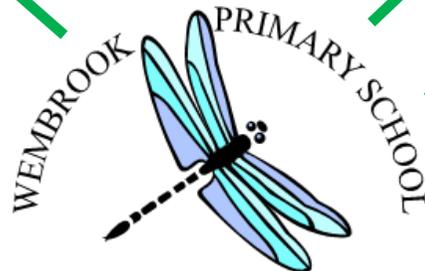

Scott's ship on his second expedition to the South Pole was called the Terra Nova.

12 men originally set off to Cape Evans in 1911.

Captain Robert Scott never returned home after his expedition.

The first people to reach the South Pole were Norwegian.

A primary source of history is information from somebody who was there.

## WEMBITES
