Believe and Achieve

Wembrook Teeth Day

Following on from last years highly successful Wembrook Teeth Week, we have a follow up just for today (Monday). Like last year, all children will be learning about good oral hygiene.

To support the learning every child will be given their own toothbrush and toothpaste*, alongside receiving a lesson on how to brush their teeth.

* A limited number of toothpastes have an expiry date of the end of March 2026.

Special Mentions Assembly

Key Stage One parents are invited to come on **Friday 6th March at 2:30pm** in the hall.

World Book Day Thursday 5th March

It is a fantastic opportunity to focus on reading for pleasure, encouraging children to choose their favourite texts and embedding a habit of reading that brings a range of benefits.

We would like to encourage your child/children to dress up as a favourite book character and bring the physical book into school. They or the class teacher can then share extracts from the texts. The book can be fiction or non fiction!

WemDuck is Back!!!

We were thrilled that WemDuck and her husband have returned to Wembrook.

Last year she laid 4 eggs, with three ducklings surviving. We have had a polite word with her about laying the eggs in a more appropriate place, rather than the flower bed outside my office! We shall see.

In the meantime, please ensure that your child does not go on the grass before school and at the end of the day. Parents should also ensure that **younger children** do not go on the grass as well. We will keep you updated.

Dates for your Diary
