Just another reminder that the school website is host to lots of information about the school. Whether its news, policies or work connected to your child, it's the place to visit.

One of the sections in School Information is around GDPR. Within this section there are lots of documents including:

Wembrook School Values

In school we are continually talking about our school values. You may want to start a conversation at home. Parents, which one do you think is the most important?

School Governor

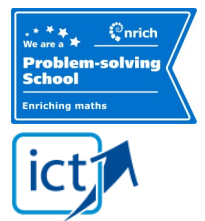

If you are interested in getting involved, please give your details to the office.

The closing date to put your name forward will be Wednesday 20th May.

The time commitment governors are expected to give is not significant, with meetings usually taking place two or three times a term. The meetings normally take place on a Monday at 6:00pm/6:30pm, with them never lasting more than two hours.

If there are multiple applications there will be an election. The successful governor will have to have a DBS and police check.

Believe and Achieve

Mid Day Supervisor

There are not many jobs where:

- You get to be outside in the sunshine when it is hot
- Inside in the dry when it rains
- Have 13 weeks holiday a year
- Have no concerns about child care around the school day
- **Best of all, everyday is completely different!**

So would you like to join our friendly team of Mid Day Supervisors?

The school requires several midday supervisors to work one hour and fifteen minutes everyday during the school's lunchtime. The job includes supervising the children with their lunch and then overseeing them on the playground.

We understand the pay should not affect anyone receiving benefits. The applicant, if successful, will need to be police checked.

If you are interested in the post, please contact the office in the first instance.

To start in September 2026

Closing date: Monday 8th June

At a recent heads meeting, I heard from numerous local schools in the area, where parking fines have been issued, as Warwickshire County Council continue with their push to ensure all parents park legally.

Remember that this is in place to ensure children are not being put in danger by irresponsible parking,

The authority are aware that one of our vulnerable areas is around our school gates and the drive near the caretakers house.

Do the right thing by leaving 3 minutes earlier, so you can park in one of the many car parks surrounding the school.

You have been warned!!
