

Art

Please help your child with their learning by going through this fact sheet with them. They will be quizzed on this at the end of half term. We appreciate your support.

'Tone' is used to describe how light or dark something is.

Adding white paint to another colour will make it lighter.

Adding sand and glue to paint will give it texture.

To change the shade of a colour, a darker paint needs to be added.

WEMBITES

Resources such as rollers and lolly sticks can also be used to paint with.

Adding black paint to another colour will make it darker.
