**Believe and Achieve**

Newsletter 34 Tuesday 2nd June 2026

**Relationships and Sex Education**  
 During next half term all year groups will be involved in receiving their relationships and sex curriculum. You will be informed which week this will be nearer the time.  
 We are aware that this element of the curriculum, for some parents, can create some questions and queries.  
 You will also know that the media has the ability to distort what is deemed by many as a very conservative approach.  
 The curriculum is designed to support pupils as they develop **but not** to replace teaching and values given by the home and parents.  
 The children will receive five, age appropriate lessons, that will be delivered by their teacher. The content of what the children will be learning is saved on our website and the children will also be bringing home an overview.  
 To support those who may wish to know more, we are holding a parents meeting on Wednesday 10th June at 5:30pm. Please fill in the Parentmail form if you wish to attend.
