

What do I do if I sneeze or cough?

Sometimes

I

sneeze

or cough.

Water

might

come out

of

my

mouth

When

I

sneeze

or

cough,

I

must

cough into tissue

or

cough into elbow

If

I

use a

tissue

I

must

put

it in the

bin

After

I

sneeze

or

cough

I

must

wash my hands

or

use hand sanitiser.
