Important Information

Please note that as part of our pre-employment Safeguarding checks, you **must** be able to provide two references, one of which should be your current or most recent employer. All references should be from people you know in a professional capacity and not a friend or family member. Examples of types of references we can accept are those from: Previous employers, people in a position of authority in the local community (e.g. from a church or mosque), an organisation that you might have assisted as a volunteer.

If you cannot provide two references, then unfortunately we will not be able to accept your application. However, if you feel you might like to apply for a Midday Supervisor post in the future, then it might be worthwhile volunteering for an organisation in the meantime, which will give you a prospective reference for the next time we advertise.
