Believe and Achieve

Thank You

We have had a lovely first few days, it is so good to be back. We are all very appreciative of your support, encouragement and attendance. This week we have had an attendance of over 97% which is very encouraging.

Overleaf is the protocol of what you should do if you believe your child could have Covid 19. One of the challenges, as we go into winter, is that most children will go down with colds and coughs. As a parent we will be looking to you to make the appropriate decisions, for not only your child and you but also the wider community and the school.

Obviously you know your child best.

If it seems like a minor cold with no other symptoms, then you are still able to send your child to school. However, you may choose to keep them at home for 24 hours to monitor, or you may choose to have them tested.

Just like you, we do not have all the answers but we do know that we want all our children safe, but we also need them to be in school.

Mid Day Supervisor

There are not many jobs where:

- You get to be outside in the sunshine when it is hot
- Inside in the dry when it rains
- Have 13 weeks holiday a year
- Have no concerns about child care around the school day
- Best of all, everyday is completely different!

So would you like to join our friendly team of Mid Day Supervisors?

The school requires several midday supervisors to work one hour and fifteen minutes everyday during the school's lunchtime. The job includes supervising the children with their lunch and then overseeing them on the playground.

We understand the pay should not affect anyone receiving benefits. The applicant, if successful, will need to be police checked. If you are interested in the post, please contact the office in the first instance. **Closing date: 14th September**

GOLD AWARD

Covid 19 Protocol for Suspected Cases

This protocol will be updated if government guidelines change.

Your Child has got Coronavirus Symptoms

1. They do not come to school. If they are in school you will need to collect them immediately.
2. Book a test. Inform the school that the test has been booked.

The test is negative

3. Inform the school of the result. An email would be preferred.
(admin2629@welearn365.com)
4. The child can return to school if 48 hours has elapsed since the symptoms have developed and they and everyone in the household are well.
5. If the child is still unwell or other members are showing symptoms then another test will need to take place.

The test is positive

6. Inform the school of the result. An email would be preferred.
(admin2629@welearn365.com)
7. The child needs to isolate for a minimum of 10 days and only when they have no temperature will they be able to return.
8. Other children and adults who have had direct contact with the child are sent home and have to isolate for 14 days. They can then return as long as they have no symptoms. If they develop symptoms they must be tested.
9. You will need to alert NHS Test and Trace.

Someone in your home has got Coronavirus Symptoms

10. Book a test. Inform the school that the test has been booked
11. Pupils will have to stay off until their test is returned negative.

Someone in your home has tested positive

12. The whole household should isolate for 14 days. If anyone develops symptoms they should be tested.

Please keep this information safe for future reference

	School Starts	School Ends
Nursery	9:00am	3:15pm
Reception	9:00am	3:15pm
Year 1	9:10am	3:25pm
Year 2	9:10am	3:25pm
Year 3	9:00am	3:15pm
Year 4	9:00am	3:15pm
Year 5	8:50am	3:05pm
Year 6	8:50am	3:05pm
