Information

I am very aware that there are many newsletters being produced at the moment. Clearly there are lots of new and important information that needs to be shared during these unusual times! Please try to make time to read all publications coming home from school. If you have any questions or queries please contact the school for clarification.

Thank You Mr P

Reception Outdoor Classroom

Many of you will have seen that the outdoor classroom has had a major refurbishment over the summer. We are absolutely delighted with the results. Can you please ensure that no children go on any of the equipment at the beginning or at the end of the school day. The school insurance will not cover any accidents which are not supervised by school staff during school hours. Can I also request that parents do not use some of the equipment as seating! Thank You

Cones

As part of our “zoning” of pupils at break and lunch time we have used cones to split the playground up. Please ensure that neither you or young children move the cones when visiting the school site.

Have you changed your number?

Please ensure that all contact details in the front of your child’s link book are up to date. Remember that if you do change any contact details throughout the year then we need to be informed.

Data collection sheets will be sent home very soon. Please ensure that they are updated and returned as soon as possible.

Believe and Achieve

Staggered Day

Thank you for the kind words about the schools approach to the staggering of the school day. We understand that some schools have the school day starting over a period of over an hour, which clearly is difficult for parents.

We believe our staggered day of just 20 minutes is equally effective but also practical for parents.

We would, however, **strongly insist** that parents try and support the school by adhering to these times. Bringing some children late or expecting some children to leave early is clearly not helpful to their learning. We know the times are not ideal but we all need to be flexible as we go forward. Thank you again.

Over the next few days you will receive various organisational details about your child's new routine, such as PE days and homework. This information will usually be put in your child's link books. In addition, you will see there are several forms in the link book including Visit and Photographic permissions as well as an E-safety form. Please ensure you read and complete all relevant information.

Please help your child by getting into the habit of regularly looking at their link book. It is the easiest way for the class teacher to send home any messages. Staff also look regularly to see if you have written any messages, so please feel free to tell us about anything you feel we need to know about.

Mid Day Supervisor

There are not many jobs where:

- You get to be outside in the sunshine when it is hot
- Inside in the dry when it rains
- Have 13 weeks holiday a year
- Have no concerns about child care around the school day
- Best of all, everyday is completely different!

So would you like to join our friendly team of Mid Day Supervisors?

The school requires several midday supervisors to work one hour and fifteen minutes everyday during the school's lunchtime. The job includes supervising the children with their lunch and then overseeing them on the playground.

We understand the pay should not affect anyone receiving benefits. The applicant, if successful, will need to be police checked. If you are interested in the post, please contact the office in the first instance. **Closing date: 14th September**

New Reception parents if your child is on half days this week, please try and walk around the edges of the playground rather than through the middle of children playing.
Thank You
