Believe and Achieve

Tuesday 15th September

Next Tuesday the school is having a major broadband upgrade which means that the pedestrian gate nearest the zebra crossings, next to Caldwell Road, will be locked all day.

All parents and pupils will have to walk around the school building using the passage way, next to the West Wing. To be able to access the classrooms at the back of the school including Reception, Nursery and classrooms that are on Key Stage One playground.

You may choose to factor in a few additional minutes at the beginning and end of the school day.

Many apologies for the disruption.

Child Protection

At Wembrook we take our role of ensuring that all children are safe in school very seriously. The school regularly reviews procedures and policies to ensure that while in our care we are able to minimise any situation where a child could feel vulnerable or even get hurt. No systems are infallible, but we do endeavour to make Wembrook as safe as possible.

In addition, it is our statutory duty to support any child that we believe might be in a vulnerable position outside of the school day. We have a responsibility to report any concerns or disclosures that a child makes to Social Care (Social Services) and let them carry out a thorough investigation. **On occasion, this can lead to difficult conversations between school and home. We do believe however, that it is always better to carry out a referral and to discover that it was unnecessary, rather than not informing relative agencies, only to later discover that a child was indeed in a vulnerable position.**

The schools Safe Guarding officers are Mr Pearson, Miss Bayliss, Mrs Chard and Miss Eli Williams. If you have any questions or concerns, please contact them through the office.

Staggered Day

We **strongly insist** that parents try and support the school by adhering to our new staggered times. Bringing some children late or expecting some children to leave early is clearly not helpful to their learning. Siblings should not be going to each others classrooms– all waiting should be done outside of the building. We know the times are not ideal but we all need to be flexible as we go forward. Thank you .

Clubs

Unfortunately we will not be running any afterschool clubs this term. Having explored the practicalities, we decided we could not guarantee that pupils would not be pricking too many bubbles unnecessarily.

We hope to be able to offer a super choice of extra curricular clubs later in the year.

Welcome

A warm welcome to our Reception children, who have now started school. They seem to be settling in to Wembrook life very well.

Many Thanks Vinci Construction

Vinci Construction very generously gave the school £500 towards the new equipment outside. We thank them and Olaf's mum for this most kind gift.

Mid Day Supervisor *Closing Day Next Monday*

The school requires several midday supervisors to work one hour and fifteen minutes everyday during the school's lunchtime. The job includes supervising the children with their lunch and then overseeing them on the playground.

We understand the pay should not affect anyone receiving benefits. The applicant, if successful, will need to be police checked. If you are interested in the post, please contact the office in the first instance. **Closing date: 14th September**
