Believe and Achieve

Welcome

A warm welcome to our Nursery children, who are now starting to come into school. We hope they are enjoying school, as much as we are enjoying having them here.

Please try and adhere to the staggered times. If you are arriving late, it is not fair on your child and their class. If you are arriving at a different time than requested you are increasing the number of adults being on the school site

Can you pass on the message?

Can you please think carefully whether you really need to call the office to pass a message onto your child. Some days we are receiving over 10 message which all need taking to the classroom, by an already busy office. If someone different is collecting - please tell your child/write it in their link book at the start of the day. I would also like to remind you to send lunch boxes/PE kits in with your child at the beginning of the day, so again the office are not having to take these down.

No Smoking

Please remember the school operates a strict non smoking and vaping policy at school. This also includes around all school gates. It is not pleasant or appropriate for children having to walk past adults smoking near the gates. Thank You.

Thank You. 99.7% of our pupils have returned to school. When having lunch with some Year Six pupils. One Year Six girl summed it up to me far more eloquently than I ever could. "I missed my teachers, I missed my friends but most I all I missed being part of Wembrook" Priceless, it's good to be back!

GOLD AWARD

Meet the Team 2020

Please find below a list of staff you may wish to contact if you have any specific questions or concerns. The school is open between 7:30am and 5:45pm. We would always prefer you to contact the school rather than worry about an unanswered question at home. Our link books are a useful way of contacting your child's class teacher. Teachers are also around at the beginning and end of the school day. If you have a matter that needs a longer discussion, then please make an appointment with the office.
