### On Time?

We unfortunately have a small number of pupils who are still arriving late for school. In these uncertain times, this is highly unfortunate because it results in them having to walk through the school building rather than entering through their classroom door. This clearly is not helping with class bubbles.

Please ensure your child arrives on time. Repeatedly turning up late is not acceptable. Thank you

On a related theme, can all parents ensure that all PE bags, IPADS, reading bags etc. come in with your child. The office are trying to minimise the handling of objects during their working hours.

Parents Evening telephone calls start this week. Early observations seem to indicate that more parents have opted for the final slot (6:00pm to 6:30pm) than we originally anticipated. If this was your only choice, please be aware that your phone call may be later than 6:30pm. Thank you.

### TAKING CARE CURRICULUM

All classes in school will or have already taken part in the Taking Care/Protective Behaviour scheme.

Children will be learning new skills for helping themselves to keep safe and building on work they have already done.

Please do ask your children about what they are doing and have discussions with them about all aspects of safety—your interest and encouragement will make a big difference to their learning.

Please feel free to discuss any aspects of this work with your child’s teacher. There is more information on the school website.

### Wembrook Super Heroes

We are having so much fun with our new virtual assembly where we celebrate all the good things that have been going on in school. Winners have to get to Mr Pearson’s office as quickly as possible, where they receive their certificate and a superhero mask in front of the whole of the school, who are watching on Teams.
