## School Photographs

Despite the challenges of these times we still plan to have the school photographers in school.....even though it is a little more complicated than usual!!!

The school photographers are in school on Monday 9th November.

The photographers will take individual photographs of each child and then will give you the opportunity to create a family portrait at the ordering stage.

These photographs will be ready to give as Christmas presents.

*If parents want family photographs with younger siblings who are not yet of school age, then they need to book on The Parent Mail Form that will be sent out later today. Once you have expressed an interest in having your younger children's photographs taken, you will then be allocated a time to attend, with instructions about where to wait.*

***Please be aware that if you have not been allocated a time to attend, then you will not be able to turn up on the day. We anticipate that we will not be able to cater for all younger siblings, so all requests will be treated on a first come, first serve basis.***

If you do not wish your child to be photographed, please make office staff aware of this.

## Before and After School Pupil Supervision

With the slight staggering of the school day, we are aware that a small number of children are on site at the beginning and end of the school day for longer periods of time than usual. Can all parents please remember that they should be overseeing their children and not letting them run around.

**A special reminder that now we are truly into Autumn no children who enter the front of the school through their classrooms should be on the grass before and after school. The heavy dew, along with leaves is creating lots of problems for our carpet areas.**

**Thank You.**

GOLD AWARD

Parents Evening telephone calls continue after half term. Please double check your contact numbers before you submit. Also please be aware that you may be contacted later than 6:30pm due to the number of parents who have requested the last hour. Thank you.

## Polite Warning

I been informed that over the next month PCSO's will be on patrol at the beginning and end of the school day. I believe they will be targeting roads and paths around the school for illegal or improper parking. I understand they will especially be focussing on Caldwell Road and how cars are parked outside the church. Please remember that the area is first and foremost a pavement for pedestrian use.

I have been informed they can issue £50 fines. Remember that you can park at the Pingles for no cost and enter from the gate by the running track.

## Chilvers Coton Craft Centre

The centre is a very good neighbour to the school that supports us in lots of ways. If you choose to park there, please do it responsibly. They sadly inform me that a small number of parents are spoiling it for everyone, by parking in non designated parking areas and not being accommodating when asked to move.
