### The Wembrook Elf Christmas Hunt

To ensure that world events will not stop our children having an exciting time in December, we are very proud and excited to announce the launch of the Wembrook Elf Christmas Hunt.

I have reliably been informed by an old man with a white beard, that 14 of his elves were busy working in his workshop when one of the naughty elf's decided they should escape.

They made their escape out of his workshop and hitched a ride from the North Pole, ending up in Attleborough.

There are now 14 elves hiding on a circular route which includes Avenue Road, Attleborough Green, Highfield Road and The Pingles tennis court park. The route is estimated to be just over one mile to walk.

So the question is, can you find all 14 and record their letters to spell a special phrase?

The instructions and map are just £5 a family with all the money going to Myton Hospice. The hospice is struggling due to Covid and does such a brilliant job that we wanted to help them. Since the sad death Of Mrs Holt, our school administration assistant, we have raised over £10,000. We hope to add another £1000 to the pot, with your support.

The perfect activity for your lockdown exercise or this INSET day!

Maps and instructions can be bought by sending an envelope in with your child's name and £5 enclosed. Alternatively Mr Pearson or Miss Bayliss will be selling maps at the beginning and end of the school day at the front of the school.

*All elves can be seen from the public paths and although the route has been designed to be pedestrian friendly, please take care around the roads and traffic.*
