Believe and Achieve

Monday 8th March

We are very much looking forward to the children returning to school on Monday. We anticipate that for most children, they will be excited but we understand that, for a few, they might be feeling anxious or nervous.

The most important thing to do at this stage is to ensure they are in school. Please talk to the teacher or let the office know and we will keep an eye on them or put in support if it is needed.

Clearly the rest of this academic year is going to present challenges but to put it bluntly many children have already lost too much time in school. They can not afford to lose anymore. Everyone needs to return on Monday.

I look forward to seeing you and your children next week. Mr P

We expect all adult visitors to the school site to be wearing a mask.

Please support the school, staff and the children by ensuring this is the case. Thank you.

Have you or your family been affected by Covid 19?

If your child has lost someone due to Covid or you have been affected in some other way, please let the school know so we can support and be sensitive to your child's feelings. All information will be treated with confidentiality.

Staggered Day

We **strongly insist** that parents try and support the school by adhering to our staggered times. Bringing some children late or expecting some children to leave early is clearly not helpful to their learning. Siblings should not be going to each others classrooms— all waiting should be done outside of the building.

We know the times are not ideal but we all need to be flexible as we go forward. Thank you .

Mid Day Supervisor

We are recruiting. If interested, please contact the office for more details.

Clubs

Unfortunately we will not be running any afterschool clubs for the remaining part of the school year. We are devastated.

Kids Club is still operating before and after school. It will be returning to its normal opening hours from Monday 8th March. 7:30 am to school opening and from the end of the day to 5:30pm. We believe there will be some additional capacity for anyone who wants the facility but has not used it in the past.

The logo for Red Nose Day features the words "RED NOSE DAY" in a bold, black, sans-serif font. The word "NOSE" is written in a larger font size than "RED" and "DAY". A red nose is positioned between the 'O' and 'S' in "NOSE".

Friday 19th March

To celebrate Red Nose day, pupils are allowed to come to school under the theme of “**Wear Something Funny**”.

They could come in fancy dress, wear something red or perhaps wear their clothes backwards or even come in their pyjamas.

For this honour we would like them to make a contribution to this worthwhile cause. Pupils may give as much as they like, we would suggest at least £1.

Date for your Diary

We are just finalising Parents Evening for this term. Parents Evening will be done via video link through your phone/tablet/computer. They will take place on Tuesday 30th and Wednesday 31st March, late afternoon/early evening. More details to follow.
