Thank You

As we enter our final week before the October half term break, I would like to thank everyone for your support and understanding over what has been a most challenging half term.

With over 60 positives since September, including 11 staff it has been a daily conundrum to keep the school open, with pupils safe and learning. We haven't had complete success but considering the circumstances we haven't done too bad! Let's see what November brings!

Please remember:

If your child is poorly, then do not send them to school.

If you have any doubts get them tested.

Stay vigilant with your social distancing

If we do not think your child is well we will send them home. So save everybody the time and risk by not sending them in the first place!

Flu Immunisations

It is my understanding that registering for your child's nasal vaccination closes on the portal today. If you have not yet registered, please do so as a matter of urgency.

We are supporting Coventry and Warwickshire Mind with this unusual fundraiser. The charity provides support for children and young people who are struggling with their mental health. For many, the last two years has been extremely challenging and the charity needs as much support as possible.

So, on **Friday 22nd October** we are asking all children to wear a hat in school for the day and give a £1 donation to this charity.

With over 70 beanies I have not yet decided which one to wear!!!!

Children do not have to take part if they do not wish. If pupils donate they do not need to wear their school uniform.
