Newsletter 2

Monday 6th September 2021

Wonderful

It is so good to be back and to see the first signs of some normality returning. Please read this newsletter in conjunction with last Friday's edition. Together they hopefully will give you all the information you need to support your child in their first few weeks back at school.

Family Support Learning Mentor

A reminder that the school is most fortunate in having Miss Eli Williams as our Family Support Learning Mentor.

Miss Williams supports families to ensure every child is able to achieve their potential. Eli's brief is vast but if you have any concerns or worries about your child which is not directly linked to the work in the classroom, then Eli may be able to support you.

You can contact Eli through the main office or directly on 07468 716926

Goodbye Mrs Brown, Hello Mrs Jackson

Many congratulations to Mrs Brown and her new husband Kevin who got married over the summer.

You will not be surprised to know that she looked beautiful on their special day.

Over the next few days you will receive various organisational details about your child's new routine, such as PE days and homework. This information will usually be put in your child's link books. In addition, you will see there are several forms in the link book including Visit and Photographic permissions as well as an E-safety form. Please ensure you read and complete all relevant information.

Please help your child by getting into the habit of regularly looking at their link book. It is the easiest way for the class teacher to send home any messages. Staff also look regularly to see if you have written any messages, so please feel free to tell us about anything you feel we need to know about.

I am sure that if we work together, we will have a successful year.

GOLD AWARD

Welcome

A warm welcome to Mrs Petch and Miss Buchanan who officially join the school. Mrs Petch will be teaching in Year Two and Miss Buchanan is in Year Five.

Names on Clothing

At this time of the year many parents have spent a lot of money on new uniforms. Please make sure all items are clearly labelled so that if they get lost they can be quickly returned to their owner. **At the end of last term we had over 40 school jumpers unclaimed, none of them had a name!**

Have you changed your number?

Please ensure that all contact details in the front of your child's link book are up to date. Remember that if you do change any contact details throughout the year then we need to be informed.

Data collection sheets will be sent home very soon. Please ensure that they are updated and returned as soon as possible.

Covid infections

Although the guidelines have changed around self isolation for close contacts:

Pupils under 18 do not have to self isolate.

Adults who have been double vaccinated do not have to self isolate.

The guidelines around caution and symptoms **have not changed.**

If your child is displaying symptoms or are unwell they should not be in school and if they do come to school they will be sent home.

Please help yourself, the school and your child by ensuring that if they have symptoms they are immediately tested and if negative then of course they may return.

Although I believe there is reason to be confident that life will return to some kind of normal this term, we all have a role to play in ensuring that infection rates are kept as low as possible at Wembrook.

Thank you for your support.

Members of staff when talking to parents, will continue to wear a mask at the beginning and end of the school day, .

Regardless of national guidelines, Warwickshire Local Authority are encouraging all parents to wear a mask at the beginning and end of the school day, when approaching staff. Please support Wembrook and your child be adhering to this.
