Wear a Mask on School Property

After recent national developments connected to the new Omicron variant, we strongly request that all parents and visitors to Wembrook grounds and building wear a mask. Thank you. Your support is greatly appreciated.

Parent Governor

I am pleased to report that 6 parents have put themselves forward to be a parent governor. Please take the time to read their statements. A Parent Mail form will be sent to you later today for you to make your vote. If you require a paper form then please contact the office. We are looking for one parent governor. Voting will finish at 10:00am Monday 6th December. All parents and guardians are entitled to vote, so if you wish, two parents may vote separately. If this newsletter has not been sent to both parents then the second parent will need to get a form from the office.

Mohammed Awan

I (M I Awan) live and work in Nuneaton for 25 years. I am one of the trustee of charity too. Being a school governor who represents parents is a great opportunity and responsibility, I ensure clarity of vision, ethos and ambitious strategic priorities and targets for the school. I value equality and fairness, I am very approachable and can connect with people instantly, which will allow me to build a strong relationship with other parents and become a voice to their concerns and suggestions for the well-being of children. Thanks regards

Gemma Cleveley

My name is Gemma Cleveley and I currently have daughters in Y2 and Y5. As a current volunteer at Wembrook I have an interest in helping the school to optimise the use of their resources to benefit the whole school community. I have knowledge of the schools' key policies and how they are used in daily practice, what works well and what I feel could be improved. Should I be the successful candidate then I would strive to contribute towards ensuring Wembrook and its community continue to believe and achieve together!

Believe and Achieve

Amy Fox

I'd like to be a parent governor because I want to ensure that all children who attend Wembrook get the best possible education.

I have experience working in secondary schools, and so will be able to bridge the gap between primary and secondary.

I am approachable, and want to help make our voices heard.

I will fully support the school, but also hold it accountable and challenge it to continually aim higher for our children.

I am committed to devoting the required time and energy to help ensure Wembrook is the best school it can be.

Hana Lockhat

Hi!

I'm Hana and my daughter, Sara Lockhat, is currently in Reception.

As a mum of two I feel passionate about nurturing children and providing them a safe space, where they can thrive.

Having previously worked as a Clerk to Governors and as a School Administrator I have a good understanding of the role and the responsibility that comes with it.

As a Governor I would hope be the voice of Wembrook parents to ensure we can all work together to do the best we can for our children by providing them good quality education.

Thank you for your consideration.

Hana Lockhat

David Moulding

I would really love to be a governor as I feel I have great enthusiasm and passion for the role. I am committed to ensuring the maximum potential of the school is achieved and that every child has the greatest opportunity to excel at Wembrook.

James Olnier

Our son is currently in year one and absolutely loves being at Wembrook and we have consistently had a good experience with the school from nursery through to now. We live locally in Attleborough and have for over 10 years. I have previous experience as a staff governor at North Warwickshire & Hinckley College. Part of my job role is to advocate for and support people at meetings, scrutinise financial documents and reports. I feel my skills and experience would make me an asset to the team of governors at Wembrook.

Kind regards, James Olnier (parent of Joe Olnier 1MC)
