Believe and Achieve

Major New Build

Today we are very excited to announce the commencing of a new building project which will start on Monday 20th June. The build will include one new classroom, three smaller working areas and a large storage area and all of this will happen without losing any of our school grounds!

The build will be taking place above the school's Nursery building, which has a beautiful arched high ceiling, that has remained hidden for far too long.

The building project will last approximately 16 weeks with the majority of the work being completed by the time we return in September.

This does, however, mean that there will be some disruption for the final four and half weeks of term. We hope for the majority of you, the disturbance will be kept to a minimum.

- The biggest change will be that the Nursery will be moving to the Holt Hall for the rest of the term and their outdoor classroom will be outside the hall, including the Reflection Garden. This means that the area will be fenced off. Pupils and adults will not be able to access this area. All movement from the front of the school to the back will have to be done via the passage way. So, for example, if you use the Pingles gate to collect your Reception child you will need to walk around the whole building. **You will not be able to walk in front of the Holt Hall.**
- Large plant movement will not take place during the beginning and end of the day, but it would be advisable for all visitors to be aware of potential hazards as they move around the school.
- Parents should be extra vigilant with younger children and ensure they are under close supervision at all times.

We again apologise for any inconvenience, but we are sure it will all be worth the disruption in the end.

If you have any concerns or worries please contact the office immediately.

Nursery parents will receive an additional letter with more information about the organisation for the last four weeks.

GOLD AWARD

A plan of our new build which will be above the existing nursery.

Wicksteed Park.
Thank you so much if you have already paid.
If you have not yet, then it would be greatly appreciated if you can this week.

New Addition to our Family Support Team

Many of you will be aware of the wonderful work Eli Williams does with children and families in our Wembrook community. To respond to an ever increasing demand, we have recently appointed a second Family Support Learning Mentor, Mrs Katrina Hall.

Katrina is highly experienced in this field and is already beginning to have an impact.

If you have any concerns or worries about your child which is not directly linked to the work in the classroom, then they may be able to support you.

You can contact both through the main office or Eli directly on 07468 716926
And Katrina directly on 07824 456337
