Poppy Appeal

Throughout this week, poppies will be on sale as part of the British Legion Appeal.

We have encouraged the children to make a donation with a “silver coin”, which is at least 20 pence and hopefully more, with the understanding they can only get one for themselves.

Other merchandise is available for at least £1

I hope you can support us with this worthy appeal.

The donation tins will start coming around the classrooms from tomorrow.

On Time ?

You will notice over the following few weeks, Mr Pearson, Miss Williams and Mrs Hall patrolling the school gates at 9:00am monitoring late arrivals. Being late once is understandable, repeatedly being late shows disrespect for the school and more importantly, places your child at a massive disadvantage.

With lessons starting within minutes of the start of the school day, late children end up playing catch-up during the first lesson.

As we always say, you wouldn't start watching a film if you had missed the first 10 minutes, so why place your child in the same predicament?

I didn't know they were on a ship!

Multi Faith Week

Next week (7th November) we have a special week in school which has been many months in the planning. Each year group will be looking at a different religion and exploring the beliefs and the cultures attached to these different faiths.

In addition, all children will attend a professional workshop looking at their specific religion.

We hope it will be a most enlightening week and that you can make time to discuss what has been going on in school with your child .

On Friday 11th November, between 2:15pm to 3:00pm in the Holt Hall there will be some examples of the work we have been doing throughout the week. We hope you can pop in and have a look.

TAKING CARE CURRICULUM

All classes in school over the next couple of weeks will be involved in Taking Care/Protective Behaviour scheme. Children will be learning new skills for helping themselves to keep safe and building on work they have already done.

Please do ask your children about what they are doing and have discussions with them about all aspects of safety— your interest and encouragement will make a big difference to their learning.

There is more information on the school website.

Bicycles and Scooters

Can I please remind all children and **their parents** that no child or adult should be cycling on school grounds.

This also applies to scooters.

In the same vein, no children should be going on any school apparatus, including the Key Stage One trim trail and Reception and Nursery outdoor classrooms before or after school.

Thank You
