## Anti-Bullying Week

Next week in school, we are reflecting on bullying and why it happens as part of the National Anti-Bullying Week.

As we always say at Wembrook, we are fortunate that for most of the time, with the vast majority of pupils, our behaviour is extremely good. However, we also know that on occasion, pupils can let themselves down and situations can occur where other pupils can be wronged.

In school we will be looking at the difference between bad behaviour and bullying.

In brief, bad behaviour is a one off incident, while bullying is something when an individual is repeatedly picking on someone else over a sustained period of time.

It is important that we all use the right terminology, so that when bullying is used in the right context it is not diluted by inaccurate use.

Needless to say both bad behaviour nor bullying is ever tolerated at Wembrook!

## Odd Sock Friday

On Friday 18th November all children are encouraged to wear odd socks as a symbol that it does not matter what you wear or look like, we are all the same and should all be treated the same.

It also emphasises that being different is good and makes everyone at Wembrook unique.

We hope everyone can join in.

You will probably be aware that Monday 8th May has been made a bank holiday, as part of the coronation celebrations. School will be closed on this day.

**Although yet to be finalised this will mean that Year Six SAT's tests will be pushed back a day and will start on Tuesday 9th May. It is imperative that all Year Six pupils are in for the whole of that week.**

## Sorry but no!

Under GDPR regulations the school is extremely limited, quite rightly, in forwarding on third party information to parents. We completely understand that often you may not wish to be receiving additional publicity about various events. Having said all of that, we are also aware that on occasion there are some fantastic opportunities and causes we would like to support.
