

Materials;

Glass

Cardboard

Stone

Which would be the best to build a castle model?

DT- Castles

The children will be using a variety of different materials and resources to plan, build and evaluate their own castle.

Material/resources we will be using...

Joining materials-
what we can use;

How can we make a model stronger?

- Use wooden sticks to hold the model in place.
- Use strong tape rather than glue.
- Cut the cardboard to form joining pieces.

Jobs inside a castle:

- Cook
- Jester
- Knight
- Squire
- King/Queen

History- Castles

Features of a castle:

- Moat
- Motte
- Drawbridge
- Arrow loops
- Portcullis
- Battlements

The children will learn about Castles from the past. A large focus will be on Tamworth castle.

Important facts to learn;

- Castles were built to protect the people inside and stop enemies from entering.
- Tamworth castle is in England.
