

Wembrook Primary School PE and Sports Premium Academic Year 2023-24

Funding to Support Primary PE and School Sport

Schools with primary-age pupils receive PE and Sport Premium funding based on the number of pupils in Years One to Six. Each school receives £16,000 plus an additional payment of £10 per pupil. For us, this amounts to £21,390 (Autumn 23 to Summer 24)

The Sports Premium was introduced to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils so that they develop healthy lifestyles. It is allocated to schools to work with all pupils.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Accountability

Since September 2013, Ofsted inspections report on PE and sport provision and how schools will spend their additional funding. We also have to account for how we spend our money by publishing details on our school website and by discussing actions at a governing body meeting.

Focus For Funding (what do we hope to gain from the spend)	Activity Planned	Dates	Cost	Impact
To increase the expertise and experience for the pupils in a specialist sport.	All classes in Year Five and Six (six classes) attend Nuneaton Gymnastic Centre for six weeks.	Sept 23-Dec 24	£3600 (Gym) £900 (Transport)	To be reviewed in June 2024
To support pupils in being able to use their bikes in a controlled and safe manner	Bikeability Training All Year Six pupils are provided with bicycles and safety equipment. They are taught how to cycle on roads in an appropriate and safe way. A small number who are unable to cycle, are given the opportunity to learn	May to June 2024	£1800	To be reviewed in June 2024

To increase the expertise and experience for the pupils in a specialist sport.	All classes in from Year Two (15) attend a 4 week dance programme run by a professional dance teacher. The hope is that it will inspire more pupils to take up dance at an established dance studio.. Pupils will be signposted towards different dance schools at the end of the programme	Nov 23 – June 24	£1200	To be reviewed in June 2024
Sports Equipment is refreshed and expanded	The school has a wealth of equipment which is used regularly. Through wear and tear the school allocates a generous budget to ensure that there is appropriate equipment and that is in good working order. A significant amount is spent annually on keeping sports equipment (gymnastic benches etc.) in an appropriate condition for the six monthly safety checks.	Summer 2024	£2000	To be reviewed in June 2024
To increase the expertise and experience for the pupils in a specialist sport.	Warwickshire Cricket Board: Chance to Shine. All Year Four and Five pupils receive 5 weeks of cricket coach training. This culminates in two inter school competitions. Pupils will be signposted towards local cricket clubs if they express an interest. The initiative is heavily subsidised by Warwickshire Cricket club but the school does purchase additional sessions to develop the learning opportunities.	Summer 2024	£600	To be reviewed in June 2024

Focus For Funding (What do we hope to gain from the spend)	Activity Planned	Dates	Cost	Impact
Using local sporting facilities	Due to the location of the school, we are fortunate that throughout the year, we are able to easily access the Pingles Sport Centre to support additional sporting activities. This includes using the swimming pool, the athletics track and the newly installed netball courts.	Throughout the year	£2,000	To be reviewed in June 2024
Support teaching of lessons	<p>Cyber Coach. Interactive ICT PE warm up that teaches the pupils new skills as they warm up for their PE lesson, usually in the hall.</p> <p>PE Primary Planning. A planning ICT package which includes exemplary lesson plans including video clips.</p> <p>Mad Music. Interactive Dance routines which are very useful as warm ups and also inspiring pupils as they work on their own performances</p>	Throughout the year	<p>£440</p> <p>£390</p> <p>£220</p>	To be reviewed in June 2024
Selected Key Stage Two pupils to develop resilience, cooperation, confidence and behaviour through a weekly programme of sporting activities.	<p>The school runs the Prosperity Award delivered by Positive Impact</p> <p>The initiative is best described as “nurture through sport”. 25 pupils spend an afternoon a week involved in predominately practical activities which focus on resilience, listening, communicating, cooperation, fairness, confidence, behaviour as well as learning new sporting skills</p>	September	<p>£6000 (Positive Impact)</p> <p>£2500 (Staffing)</p>	To be reviewed in June 2024
Amount Spent			£23,350	

Meeting national curriculum requirements for swimming and water safety	Year Six 23/24*
Percentage of current Year Six pupils who can swim competently, confidently and proficiently over a distance of at least 25 metres	
Percentage of current Year Six pupils who can use a range of strokes effectively, for example front crawl, backstroke, breaststroke or butterfly	
Percentage of Year Six pupils who can perform safe self-rescue in different water-based situations	

- The majority of school swimming lessons take place when the children are in Year Three and Four. As some of our pupils continue to take lessons after these school years the Year Six data is pupil generated and therefore can not be validated by school.
