**Believe and Achieve**

## Relationships and Sex Education

During next half term all year groups will be involved in receiving their relationships and sex curriculum. You will be informed which week this will be, nearer the time.

We are aware that this element of the curriculum, for some parents, can create some questions and queries.

You will also know that the media has the ability to distort what is deemed by many as a very conservative approach. The curriculum is designed to support pupils as they develop **but not** to replace teaching and values given by the home and parents. The children will receive five age appropriate lessons that will be delivered by their teacher. The content of what the children will be learning is saved on our website and the children will also be bringing home an overview.

To support those who may wish to know more, we are holding a parents meeting on Thursday **23rd** May at 6:00pm. Please fill in the Parentmail form if you wish to attend.

## Ofsted Parent View

**Many thanks to everyone who has taken the time to complete the survey, it really does take just two minutes to complete**

If you can support the school:

- Google Parent View or go to [parentview.ofsted.gov.uk](http://parentview.ofsted.gov.uk)
- Click on "Give your views now"
- Then follow the instructions
- You will need to register and give an email address. This stops multiple entries!

Many Thanks

**GOLD AWARD**

## Relax Kids Session for Parents

As some of you may be aware, a number of children in school have been having sessions with our visiting Relax Kids Coach, Natasha Lewis.

This intervention is a wonderful way to support children's mental health by introducing them to relaxation. In turn, this can help their concentration, listening skills, creativity skills and self-esteem.

Activities include movement, games, breathing and stretching, affirmations and visualisations.

At Wembrook, we try to look after everyone's mental health, with even our staff looking forward to their own session on our Inset day.

We would like to invite our parents to have the opportunity to take part in this initiative too and have arranged a one-off introductory session with Natasha on Tuesday 18th June from 9 – 10.30 am.

We have managed to secure funding for the session, so it will be free of charge. We hope many of you will be able to join us.

There are only a limited number of places available. If you are interested, please complete the form on Parent Mail which will be sent out later today.

## Dates for your Diary

## Date for your Diary Act for Autism

We have been informed that Coventry and Warwickshire Integrated Care System will be hosting a free conference in Nuneaton on the 9th November around autism. The conference is for professionals, parents and carers of autistic children and anybody wanting to better understand autism.

They are very keen for those interested to save the date.

9th November 9:45am to 4:00pm. More details to follow.
