# Ofsted Parent View

## Ofsted: Parent View

It is now over four years since we were inspected by Ofsted and we anticipate that we will be receiving an inspection sometime in 2025. The inspection format includes the opportunity for parents to complete an online survey (it takes about two minutes to complete). We are very grateful for all the kind words that many of you regularly give to both the staff and myself and hope that the feedback given to Ofsted can be equally as positive.

The survey "Parent View" stays current for the academic year so all those completed will give a context for the inspection in our lead up.....I will be asking you to do it again in the Autumn term!!!!!!

At the last inspection the lead inspector said *"it is rare to see how much the parents love their school"*. We want to show them that love again!

**We hope that we can show how involved our parents are with the school by having a large number of surveys being completed before the end of this term.**

If you can support the school:

- Google Parent View or go to [parentview.ofsted.gov.uk](http://parentview.ofsted.gov.uk)
- Click on "Give your views now"
- Then follow the instructions
- You will need to register and give an email address. This stops multiple entries!

Many Thanks
