## Ramadan Mubarak from Everyone at Wembrook

### Easter Celebrations

We are very excited to announce that today we are launching our annual Easter Bonnet Parade for Foundation and Key Stage One children and the painted egg competition for Key Stage Two. All eggs should be **hard boiled!**

The competition should be a bit of fun and I would encourage parents to support their children in making their entries themselves rather than relying on Mum or Dad!

All bonnets and eggs should be brought in on the morning of **Friday 22nd March**. Every child who enters will receive an Easter egg and there will be some additional prizes for the most inventive and creative designs.

## Parents Evening

**Wednesday 20th March 3:40pm to 5:30pm IN PERSON**

**Thursday 21st March 3:40pm to 7:00pm IN PERSON**

Both evenings will take place in person, where parents will not only have the opportunity to talk to the teacher but they will also be able to look at their child's work. The object of the meeting is to see how your child has made progress during the term and how you can support them throughout the rest of the year.

To ensure that timings are followed your allocated time will be for 10 minutes.

If parents need extra time they are welcome to arrange an additional meeting to continue the discussion.

Mr Pearson, Miss Bayliss and Mrs Chard will be available on both days. Mrs Jones, the Special Educational Needs Coordinator, will also be available.

Entrance to all meetings will be through the main reception area at the front of the school.

**No child is to go into the classroom nor wait in the corridor.**

**For more information please refer to Newsletter 23**

## Easter Bingo

**Thursday 14th March**

The bingo will take place in the main hall. Doors will be open at 6:30pm, with the first game at 7:00pm.

Children are welcome, if accompanied by an adult.

Mrs Jones, our SENDCO would like to signpost Parents to the SEND Information section of our website, which details how you can access support as Parents of children with an Autism diagnosis. There is information about the autism charity, Roots to Branches, which has launched a Sensory resource library, where you can loan sensory resources for your children to use at home. The charity has been working closely with our school by supporting our Autism Support Group. You will find the information under School Information-Autism Support for Parents. There is also information on how you can access support groups and activities for children with Autism

## Red Nose Day

**Friday 15th March**

To celebrate Red Nose Day (**this Friday**), pupils are allowed to come to school under the theme of **“Wear Something Funny or Something Red”**.

For the privilege of dressing up we would like each child to donate at least £1.

## Science Photograph

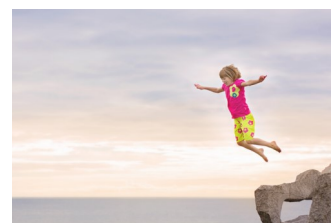

Children are encouraged to take a photograph that shows “movement” or “physics in motion”.

The photograph can be taken by camera, phone or iPad.

All entries are to be sent to
