Parents Evening*

Wednesday 25th October 3:40pm to 5:30pm IN PERSON

Thursday 26th October 3:40pm to 7:00pm IN PERSON

* Nursery's Parents Evening will take place in November. More details to follow.

Both evenings will take place in person, where parents will not only have the opportunity to talk to the teacher but they will also be able to look at their child's work. The object of the meeting is to see how your child has made progress during the term and how you can support them throughout the rest of the year.

To ensure that timings are followed your allocated time will be for 10 minutes.

If parents need extra time they are welcome to arrange an additional meeting to continue the discussion.

Mr Pearson and Mrs Chard will be available on both days. Mrs Jones, the Special Educational Needs Coordinator, will also be available.

Entrance to all meetings will be through the main reception area at the front of the school.

No child is to go into the classroom nor wait in the corridor.

To reduce any opportunity of spreading illnesses, the crèche will be running on a greatly reduced timetable.

The crèche will only be operating on Thursday 26th October between 5:00pm and 6:00pm. Please ensure that if your child is not coming during that hour then you have organised appropriate supervision.

Appointments can be made from today and will close on Monday 23rd October at 10:00am. Should you wish to make any changes after this date please contact the school office.

Both nights should be booked through

If parents are separated they can either attend together-you can link the meetings, or you can attend separately.

The systems needs to recognise all adult names as you would have filled in the forms when your child started school. If you are experiencing difficulties, is it around you putting in William, Bill or Will?

Also check your title. We could have you down as a Miss, Ms or Mrs.

Please be aware if you are late booking a time your choice may be reduced.

Covid has not gone away!

Just to clarify. The newsletter last week stated

“We know that many children will have minor coughs and sneezes and clearly it can be difficult to know the difference. However, it would be wise to assume if anyone else in your house has already got Covid and others have symptoms, then it probably is Covid! “

However, if there is no Covid in the home and your child is feeling a little unwell, they may/should come in. We will always let you know if they are feeling unwell as the day progresses. Thank you
